1. All optical enterprises at Timisoara are under the control of the State organization Centrofarm.
2. The main optical warehouse in Timisoara is located on Bulevardul Republicii No. 1. About fifty optical specialists are employed at this warehouse.
3. Since February 1951 all optical material has been destined for the Soviet Army. This production consists principally of the manufacture and assembly of field glasses. About 270 field glasses are delivered monthly to the Russian Army. Other optical objects made and even repaired at Timisoara are destined for the Russians.
